How to Measure for a Good Fit

- A** CHEST
- B** WAIST
- C** SEAT

A CHEST

Measure around the fullest part of your chest, keeping the tape firmly under your armpits and around your shoulder blades.

B WAIST

Measure around the natural waist (where your body creases leaning to the left or the right).

C SEAT

Measure around the fullest part of the seat.

- For best results, take measurements over undergarments.
- Hold tape measure firmly, not tightly.
- Keep tape measure parallel to the floor.
- Match your measurements to the above size chart. If measurements fall between sizes, go to the next size up.
